

## OUR WILLS SERVICE

**When you make a new will or amend your existing will, you want to be certain that it achieves your wishes regarding your estate. The wills we prepare for clients are crystal clear and avoid ambiguity, no matter how complex the intentions and family circumstances.**

### WHAT OUR WILLS SERVICE INCLUDES

- Detailed discussion about your family, your assets and your intentions with your will
- Advice on what to consider when making your will, including choosing executors, trustees and guardians, as well as providing for extended families and step-families, and vulnerable beneficiaries
- Advice on measures to minimise inheritance tax
- Preparation of your will in draft, for you to check it is correct, with revisions as required
- Bound copy of your will for signature
- Full commentary on the terms of your will and guide to any inheritance tax implications

### WHAT WE ALSO OFFER

- Preparation of letter/memorandum of wishes
- Estate planning advice, including strategies to minimise inheritance tax liability, including the use of trusts in your lifetime and under the terms of your will
- Lasting Powers of Attorney

For further information, and a no-obligation discussion of your situation, contact us:
